INVITATION

Dear Friends

It gives us immense pleasure to welcome you all for the virtual conference of Cardiovascular research society which is to be held on 26 - 29 August 2020 from 6.30 pm - 8.30 pm. This year we are focusing on peripheral intervention. Our course directors will be Dr George Joseph, Dr BC Srinivas and Dr Asishkumar M. The conference highlights are case-based discussions rather than didactic lectures which will help the attendees to apply in their clinical practice and also focusing on hardwares selection, step by step approach, issues and bailouts in peripheral interventions from renowned masters. We request you to kindly block your dates and give wholehearted co-operation. Stay safe.
