Message

Dear Delegates,

It is with great enthusiasm that we present the Valentine-HF Conclave 2025, a premier event dedicated to advancing heart failure care, organized by the Cardio Vascular Research Society (CVRS) and the Society for Heart Failure and Transplantation. Taking place on 11-12th January 2025 at the esteemed Hotel Andaz Delhi, this conclave is a convergence of healthcare professionals, researchers, and thought leaders committed to transforming heart failure management.

This two-day event is designed to bridge the gap between cutting-edge research and real-world practice. With expert-led sessions, interactive panels, and engaging workshops, the Valentine-HF Conclave 2025 offers an unparalleled opportunity to explore the latest global guidelines, innovative interventions, and collaborative strategies driving advancements in cardiovascular care.

As we focus on fostering meaningful discussions and equipping attendees with practical tools, we aim to shape a healthier tomorrow for patients worldwide. Let us seize this opportunity to exchange ideas, inspire one another, and create pathways for impactful change in heart failure management.

Thank you for being a vital part of this important journey.
